## President Letter

By: Tim Harteau

Hi Woodturners,

Welcome back!

It's a New Season and I'm looking forward to seeing everyone again. The past 3 months went quickly and I'm excited for our meetings to start. Time to catch up on our summer activities and start looking at what lies ahead for our turning projects.

Summer Challenge – were you able to squeeze some time in for working on an “ornament” or maybe “apply a little paint” to one of your turnings? Can't wait for the gallery! Remember we will have a drawing for participants to win a gift certificate.

Upcoming demos – there are a few ideas shaping up for demos this fall. Knitting bowl, mallets, rings...are on the short list but we are always interested in your ideas for demos and club activities. Please pass on any thoughts you have to Ed Cole, Gerry Jensen, Kelly B, Terry or me.

Our Artisan Center Host has asked the club to formalize our agreement for using the facility and establish club member expectations. In a nutshell, the other areas of the school have seen an uptick in use. With the increased traffic at the Artisan Center the BayLake Woodturners must not impede the aisle/walkway that runs through the turning studio. We will discuss this at the meeting.

See you Saturday!

## LIBRARY UPDATED

By: Terry Hermes

What did you do on your summer break? Mine was to get our library up to date. Thanks to all of you who helped me load up my car with the books and DVD's from the library at our last meeting in June.

Looking thru the different books I broke everything down into several categories: Bowls and Boxes, Bowl Design and Shapes, Color and Carving Turnings, Finishes, Pens, Projects, Segmenting and Spiral Works, Turning Techniques and Wood Guide. Under each category the books will be listed by ID Number, Book Name, Author, ISBN Number and Printed Date. Hopefully this will make it a lot easier for everyone to find a title by looking under the different categories.

### **Procedure for Checking out a Book or DVD from the Library**

Each book has a pocket inside the front cover with a card (just like the old days at your local library before computers). Take the card out of the folder, **PRINT** the date and your name on the card and place it in the library box. The book or DVD can be checked out until our next meeting when it should be returned. The DVD's have the pocket and card on the back of the DVD and the process is the same as checking out a book.

### **Procedure for Returning a Book or DVD**

When you return the book or DVD just take the card you filled out from the Library Box and place it back in the folder. Now take the book or DVD and looking at the ID Number file it back in the bins (in ID Number order) where you checked it out. That's it!

If you have any books or DVD's that helped you in your turning, let me know and we can add it to our library. ENJOY!

## SUMMER CHALLENGE

By: Terry Hermes

This year's summer challenge was making an ornament for St. Jude Children's Hospital Auction. This auction helps bring in money for the children undergoing treatments. Your ornament will be judged in different categories and vendors have donated prizes for the winners in each category. Last year Kevin Carpenter, Maureen Birk, and Al Ostermann received prizes for their ornament design. This year put on your thinking cap and come up with something amazing for this auction.

The second challenge will be to embellish a turning using paint. For some inspiration go to our website and under gallery you will see items with different paint patterns. Lynn Heupel's demonstration on Milk Paint is on our YouTube channel for other ideas. See what crazy out of the box thinking you can do!

## Membership Dues

By: Terry Hermes

Our membership dues will be \$20.00 for this year. If you would like to also pay the entire year for the Wood Exchange that will be an extra \$30.00 (\$3.00 x 10). Each month your name will be put in the Wood Exchange. If your name is chosen and you are not at the meeting we will pick something from the wood exchange table. It could be a nice piece of wood, pen blanks, a tool, glue, finishes or something else.

There are two ways to pay for your dues and wood exchange. You can pay by check at the meetings and your check will be your receipt that you are paid in full. Also you can now use a credit card for paying your annual dues online.

To pay online go to our website [www.baylakewoodturners.com](http://www.baylakewoodturners.com) and click My Account, click Dues and Contributions, under Dues click Select, click Renew Dues, click Add to Cart. If you would like to pay for the Wood Exchange click Donations, click Wood Exchange and click Add to Cart. You can pay for both items at the same time.

Please pay your dues as soon as possible. Thank You!

## Rental Kits

By: Terry Hermes

If you wanted to try and make a bottle stopper, or pen but did not want to purchase all the equipment needed to make these items, you can now rent them from our store. The cost is \$3.00 and the kit needs to be returned at the next meeting.

All the equipment including the mandrels, drill bit, bushings, tubing for one pen will be in a plastic case. You need to supply the wood and finishes.

**PRINT** your name and date on the card inside the box and leave the card with the person running the store.

The pen kit will be 7mm for making Pens for Troops and it will include five Slimline pen packs for the troops and pen tubes for one pen. You can buy extra pen tubes at 50 cents each.

There are many books and DVD's on making pens, so please let me know which ones you liked and we can potentially purchase them to add to our library. YouTube also has many videos on making pens. The possibilities are endless and this will help you think out of the box and try something new. A home made pen makes a great gift - Happy Turning!

## SCAMMER UPDATE

By: Terry Hermes

At this time the BayLake Woodturner's Club **is not** collecting any money for special projects. All special projects are voted on by club members and after the vote you will receive an email from Tim or myself explaining the project.

If you receive an email asking for a donation or to buy a gift card because we are out of town and will pay you back **DO NOT REPLY** to these emails because they are from scammers. Once you send them a donation or give them the gift card number your money is lost! Always check who sent the email because if it is not from one of our officer's email accounts listed on the first page of the newsletter it is from a scammer!
