**JUNE 17** **NO MEETING**

**JULY 15** **NO MEETING**

**AUGUST 19** **START OF THE 2024 NEW YEAR**

## Artisan Center Classes

[www.nwtc.edu/about-nwtc/places/artisan-center](http://www.nwtc.edu/about-nwtc/places/artisan-center)

NWTC Artisan Center does not require masks to be worn at our meetings. The meetings will be held on the third Saturday of each month at 9:30 am, but dates may change due to scheduling conflicts. If you would like to be a demonstrator please notify Tim Harteau on what you would like to demonstrate. Thank You!

## President Letter

By: Tim Harteau

Last meeting of the season!

The Artisan Center has changed its staffing schedule and will not be open Saturdays in June or July. In response to this, the club voted to shift our meeting schedule and meet Aug through May.

I had one member stop by my shop for some coring. John V. had a couple blocks of cherry that are now bowl blanks. We worked through cutting the wood into turning blanks then coring the largest one for a couple of nice rough turned bowls. It was a nice morning hanging out in the shop with John.

This week I'll be heading north for a couple of days to get the cottage ready for summer. I enjoy my time at the lake and it's also a great source of wood! Lots of opportunities for us turners. I already have my eye on a tree laying down waiting to be "turned into something special".

As a reminder, the club needs a Treasure, Vice President, and President for the 2023-2024 season. Please consider helping. The commitment is minimum, and you will find it very rewarding. As a group, the BLWT have many members that step up and help with running our meetings. As a board member you can count on them to help out.

Enjoy your summer,

Tim

## APRIL DEMONSTRATION

BY: Terry Hermes

Unfortunately Mike from Hunter Tools was not able to do our demonstration in April due to an illness. A BIG Thank you to Tim Harteau for stepping in on short notice! Tim's demo was on the different systems used for coring bowls. With these coring systems you can get three or four bowls out of one log. Tim used his One Way Coring System and Mark Brien let him demo his McNaughton Coring System. These systems can be pricy with the One Way base set at \$225.00 and the McNaughton set at \$329.00. Tim went through the pros and cons of each coring system. The first bowl will be small, the second bowl will be medium size and the third bowl will be larger.

You can watch Tim's demo on our YouTube channel at **Baylake Woodturners**.

## **JUNE MEETING CANCELLED**

Our June meeting has been cancelled due to the NWTC Artisan Center not having any staff scheduled for June. This changes our current schedule and May 20th will be our last meeting for this year. We have also changed from the pizza party into a Spring Picnic. The menu will be sloppy joes, beans, chips and cake. We will have coffee but if you would like something else to drink please bring your own non alcoholic beverage. There will be no meetings in June or July and we will start our new 2024 season on August 19, 2023.

**Please mark your calendars!**

## **LAST CALL FOR BEADS OF COURAGE BOXES**

The May meeting will be the last call to collect all the Beads of Courage Boxes. If your box is not yet completed let Tim know and he can arrange a drop off point. The boxes we collect will outgas for a while and then we will mail or personally bring them to the hospital. We are also working to see if the local hospitals would be interested in our boxes.

**Thank you for participating in this project!**

## **SUMMER CHALLENGE**

BY: Terry Hermes

This year we will have two summer challenges. These challenges will give you the opportunity to try some new wood turning skills.

Many of our families have been touched by cancer and our first summer challenge will be to make a wig stand for people with cancer. An information sheet on how to make the wig stand will be posted on our website: [www.baylakewooturners.com](http://www.baylakewooturners.com)

Our second summer challenge will be to make Christmas Ornaments for St. Jude Children's Hospital Auction. You can receive prizes from woodworking vendors on your design. In the past three of our members received nice prizes. It would be great if every member could make an ornament. Making ornaments will help you learn new woodturning skills, especially making finials and the ornaments bring in money for the children at St. Jude's Hospital.

**Thank you for participating in these challenges!!**

## PASSING THE TOURCH

BY: Terry Hermes

### NEXT YEAR WE WILL BE LOOKING FOR NEW BOARD MEMBERS

**President** can be shared by more than one person. The President runs the meetings, helps schedule demonstrators and works with the Artisan staff.

**Vice President** would back up the President and run some meetings.

**Treasurer** takes care of the Club's checkbook. Collecting dues, paying invoices and hands out the money envelopes for the store and wood exchange. Terry Hermes would be the back up person.

We need people to step forward because bringing in new board members creates new ideas and it gives a spark to our club!

If you are interested in any of these positions please talk to Tim. Thank You!

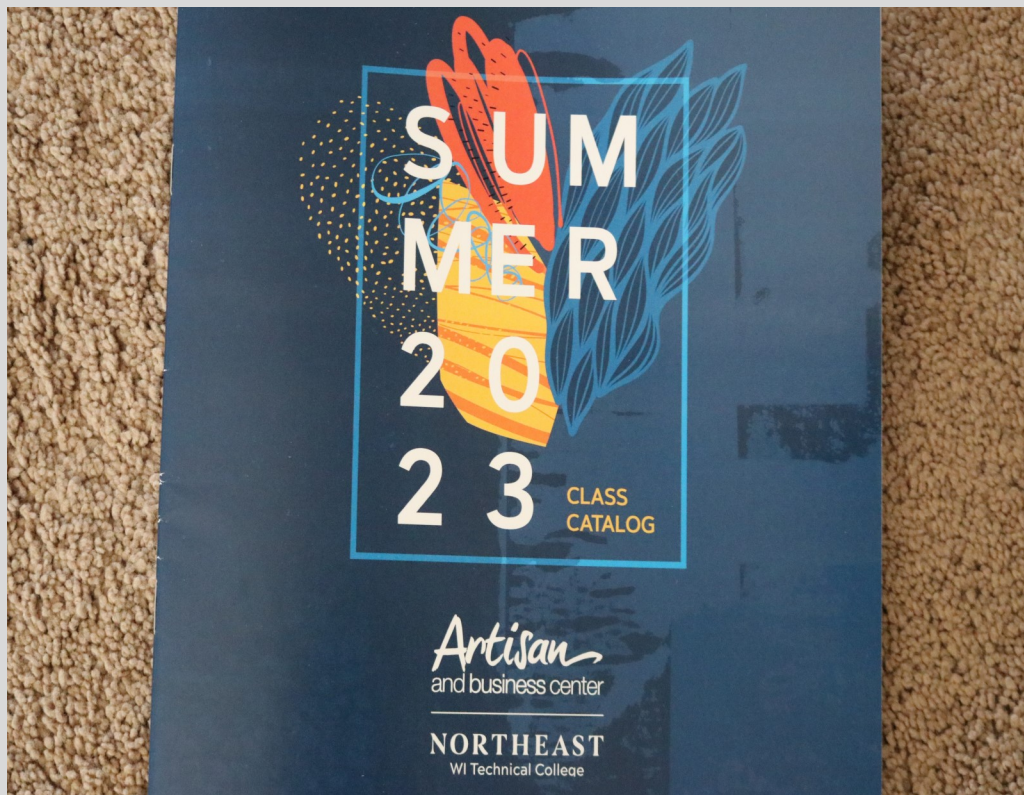

## Artisan Summer 2023 Class Catalog

BY: Terry Hermes

The new Artisan 2023 Summer Catalog is out with all its classes. You can pick up a catalog at our meeting (they are in the magazine rack by the front door) or you can go online at: [www.nwtc.edu/about-nwtc/places/artisan-center](http://www.nwtc.edu/about-nwtc/places/artisan-center)

If you would like to take a class please apply soon so the class will have enough students to take place. Five students is the minimum number required. If there are not enough students the Artisan Center will cancel the class one week before it starts. Your money will be refunded the day the class is canceled.

**Don't delay - sign up today!**

## DON'T BREAK THE BANK

BY: Terry Hermes

It is very hard to keep breaking \$20.00 bills for a \$3.00 wood exchange ticket. If you would like to buy wood exchange tickets or something from our store please bring smaller bills like Fives and Tens. I do not have a lot of money in our petty cash and will no longer be able to take larger bills. Thank you!

## Bay Lake Woodturner's Club Website

[www.baylakewoodturners.com](http://www.baylakewoodturners.com)

On our website you can pay dues and make contributions, see gallery items, read the newsletter, download instruction sheets and see recorded Zoom meetings plus much more.

### YouTube Channel

Also check out our YouTube Channel at: **Bay Lake Woodturners**

If you missed a demonstration or would like to review it again, they are listed on our YouTube channel.

## WOOD EXCHANGE

We are looking for items to place in our wood exchange. If you have any extra wood or tools you would like to donate to the wood exchange bring it to the meeting or just let Tim know what you would like to donate. Thank You!

# Rocky Mountain Woodturning Symposium

September 15-17, 2023 • Loveland, Colorado

**The Rocky Mountain Woodturning Symposium is back!**

**September 15-17, 2023**

After a three year hiatus, we are excited to be able to hold the symposium again. We have a great line up of 16 demonstrators from all over the world!

## Lead Demonstrators

David Ellsworth, Graeme Priddle & Melissa Engler,  
Keith Gotschall, Mark Gardner, Yann Marot, Laurent Niclot

## Regional Demonstrators

Kailee Bosch, Martin Christensen, Jessica Edwards, John Giem,  
Dave Landers, Don Prorak, Tod Raines, Pat Scott, Jeff Wyatt

## **Register Early for the best price!**

**By June 1st:** \$195 Individual / \$365 Couple / \$105 Saturday Only

**By August 31st:** \$220 Individual / \$415 Couple / \$130 Saturday Only
