

BLWT Summer Challenge 2021 – “Fishing Lures, Kitchen Utensils and Toys!”

The summer challenge for 2021 will be a fun one; “Fishing Lures, Kitchen Utensils and Toys”. These projects should be fun because they can range from the “quick 15 min project” (like muddlers and mixing sticks) to the elaborate “multi-piece toys” (trains, planes, or automobiles).

Like some of our past club challenges all members submitting an object at our September meeting will be entered into a random drawing for a prize. But the real prize will be seeing the Fishing Lures, Kitchen Utensils and Toys that our club members produce!

If we are cleared for “in-person meetings”, bring your project for the gallery in September. Alternately, you can send pictures of your work to Terry Hermes at: wood5056@gmail.com or myself at: timharteau@att.net . Either way you will be entered into the drawing!

Below I’ve captured some AAW links that may help inspire your summer woodturning.
